Dear Ms. Kelly,

I write in response to your letter dated September 2, 2010 regarding two contributions that were not reported within the 48 hour notice period. After careful review of our records we discovered the following:

1. The contribution on 5/5/10 from Mr. Borski was a credit card contribution and the only contribution received on that day. The import of this contribution was an oversight and therefore not reported.
2. The contribution on 5/10/10 from Day Zimmerman PAC was a check thought to have been filed on the 5/12/10 48-Hour Report; which was an inadvertent error that the check was not including on the 48hr report.

We have reviewed our procedures and feel this kind of error can be prevented in the future. If you need any further information, please do not hesitate to contact the Committee.

Sincerely,

Bonnie Bowser  
Treasurer for Fattah for Congress
